

SUNNY DAYS & DOGS

You & Your Dog(s) + Sunshine + Agility Regionals =
MEMORIES by TTL Photo

However... we prefer overcast (no rain)

Black dogs or black around the eyes and face
photograph on a sunny day with very little features.
With a little photoshop “tweaking” we can bring back
some details and make the photo much more pleasing.

Above, Chauncey was “tweaked” to bring back some
details lost due to the sunny day.

If you have any concerns about a photo please email me
before ordering.

All photos are adjusted and cropped for optimum presen-
tation before sending to our professional printing lab.
